

Each week your child is going to choose a story from our Bedtime Story box. This is for you to share together at home during the week, reading it together and talking about what you have read. Some of our reading skills in class include:

*Looking at the front cover and making a prediction about what the story might be about.

*Talking about the characters in the story.

*Where the story is set.

*What we think might happen next.

*Are there any new words in the story, what do they mean?

*Did we enjoy the story, why?

*Can we retell the story in our own words?

We love sharing stories together in class, we hope you enjoy sharing stories at home together. If you want to borrow anymore stories please speak to us on the door.
