

Dear Parents,

Welcome to Reception!

We hope your child is looking forward to joining us in our Reception class.

During this academic year, we will be sharing your child's successes and progresses with you. We would like to invite you with the opportunity in sharing any achievements your child makes outside of school. For example, swimming 5 metres, dressing themselves independently, or any successes with an extra-curricular activity club, such as football or dance.

We have provided you with a cloud for you to record an accomplishment for this half term. When you have something to share with us just hand it into us and we will place these on our display 'Reception Reaching for the Rainbow'.

Each half term we will provide you with a new cloud to continue sharing achievements outside of school. Please do ask for anymore clouds if you need them and remember to write your child's name on each cloud.

We look forward to working with you during this academic year and thank you for your support.

Reception Team
