## School Council

Dear Parents,

The school councillors would like to hold a Christmas Raffle and there are lots of wonderful prizes to win. The prizes have been kindly donated to school and the councillors are excited to be able to hold a Christmas Raffle in each class. This means that more children will be able to win prizes.

In addition to a raffle, the councillors would like their class mates to have a go on 'Guess the number of sweets in the jar', one for KS1 and one for KS2. The correct guess or closest estimate will win the jar of sweets.

To be able to participate, the children will need to pay 20p to guess the number of sweets in the jar and/or 20p for a raffle ticket. The raffle tickets can also be purchased as a strip for £1 and the children can enter as many times as they like.

This Christmas event will start on Monday 6th December 2021 and the winners will be announced on Wednesday 15th December 2021.

The school councillors do hope that you are able to support their fundraising initiative and any money raised will be given to local charities and some money will also go to support the school's Parent Council.

Many thanks

Guess the number of sweets.

The School Councillors.
