

We work to develop the children's fine motor skills; with weekly dough disco, wiggle and squiggle and our Funky Fingers station.

Weekly Crocodile Challenges

Children have a go completing an activity independently to show knowledge of learning from the previous week.

Getting the basics right is really important. We focus on number; understanding what a number is, how to represent it and how to write it. We use number rhymes to help us. children have a number envelope to take home.

Early Years at Little Bloxwich

Writing Stars

Letter formation is really important, as is name writing. We write our names when we start Reception and every term to see how we progress.

We go on a trip to the theatre every year to see some of our favourite stories being performed.

Dedicated space for outdoor provision.

We have a class bear called Fluffy. He goes home with a different child every Friday for the weekend.

GLD result of 73%. (July 2019)

Class Bedtime Story Box

We enjoy a morning each week dedicated to our nature area.

Parent partnership created with open door, questionnaires, termly workshops and Early Years specific newsletters.

We like to celebrate achievements outside of school. The children have clouds to take home to record these. We share them in school and place them on our Reaching for the Rainbow wall.

Children are provided with a school bag and a home learning book. Children are given a home learning task every Friday.
